Hi Len:

Just so you know, we moved the fence in the corner of the rear of the parking lot as we discussed for snow removal.

Thanks

Good Evening:

I started an email to you all yesterday but it doesn't appear it went through. I spoke with my attorney and she agreed to 20 day extension. So the due date would be December 16th.

Please confirm receipt.

Eric,

As we discussed on the telephone, our clients would like an extension for the referenced property (Rapids Bowling) and the adjacent property (Great Niagara Building Supply Center) to complete the information USEPA has requested. I would like some confirmation of our request when possible via email or phone call. My contact information is below. Thanks for your help on this matter.
